

TUBULAR STEEL FENCE

钢管式护栏

Tubular steel fence could be customized by adding some decorative features such as scroll pattern, artistic pickets and curving rails. Well designed style presents either heritage or modern look.

钢管围栏可以通过添加一些装饰性特色来订制，如卷轴花，艺术枪尖和弯曲的框架。精心设计的风格融合的体现了传统与时尚。

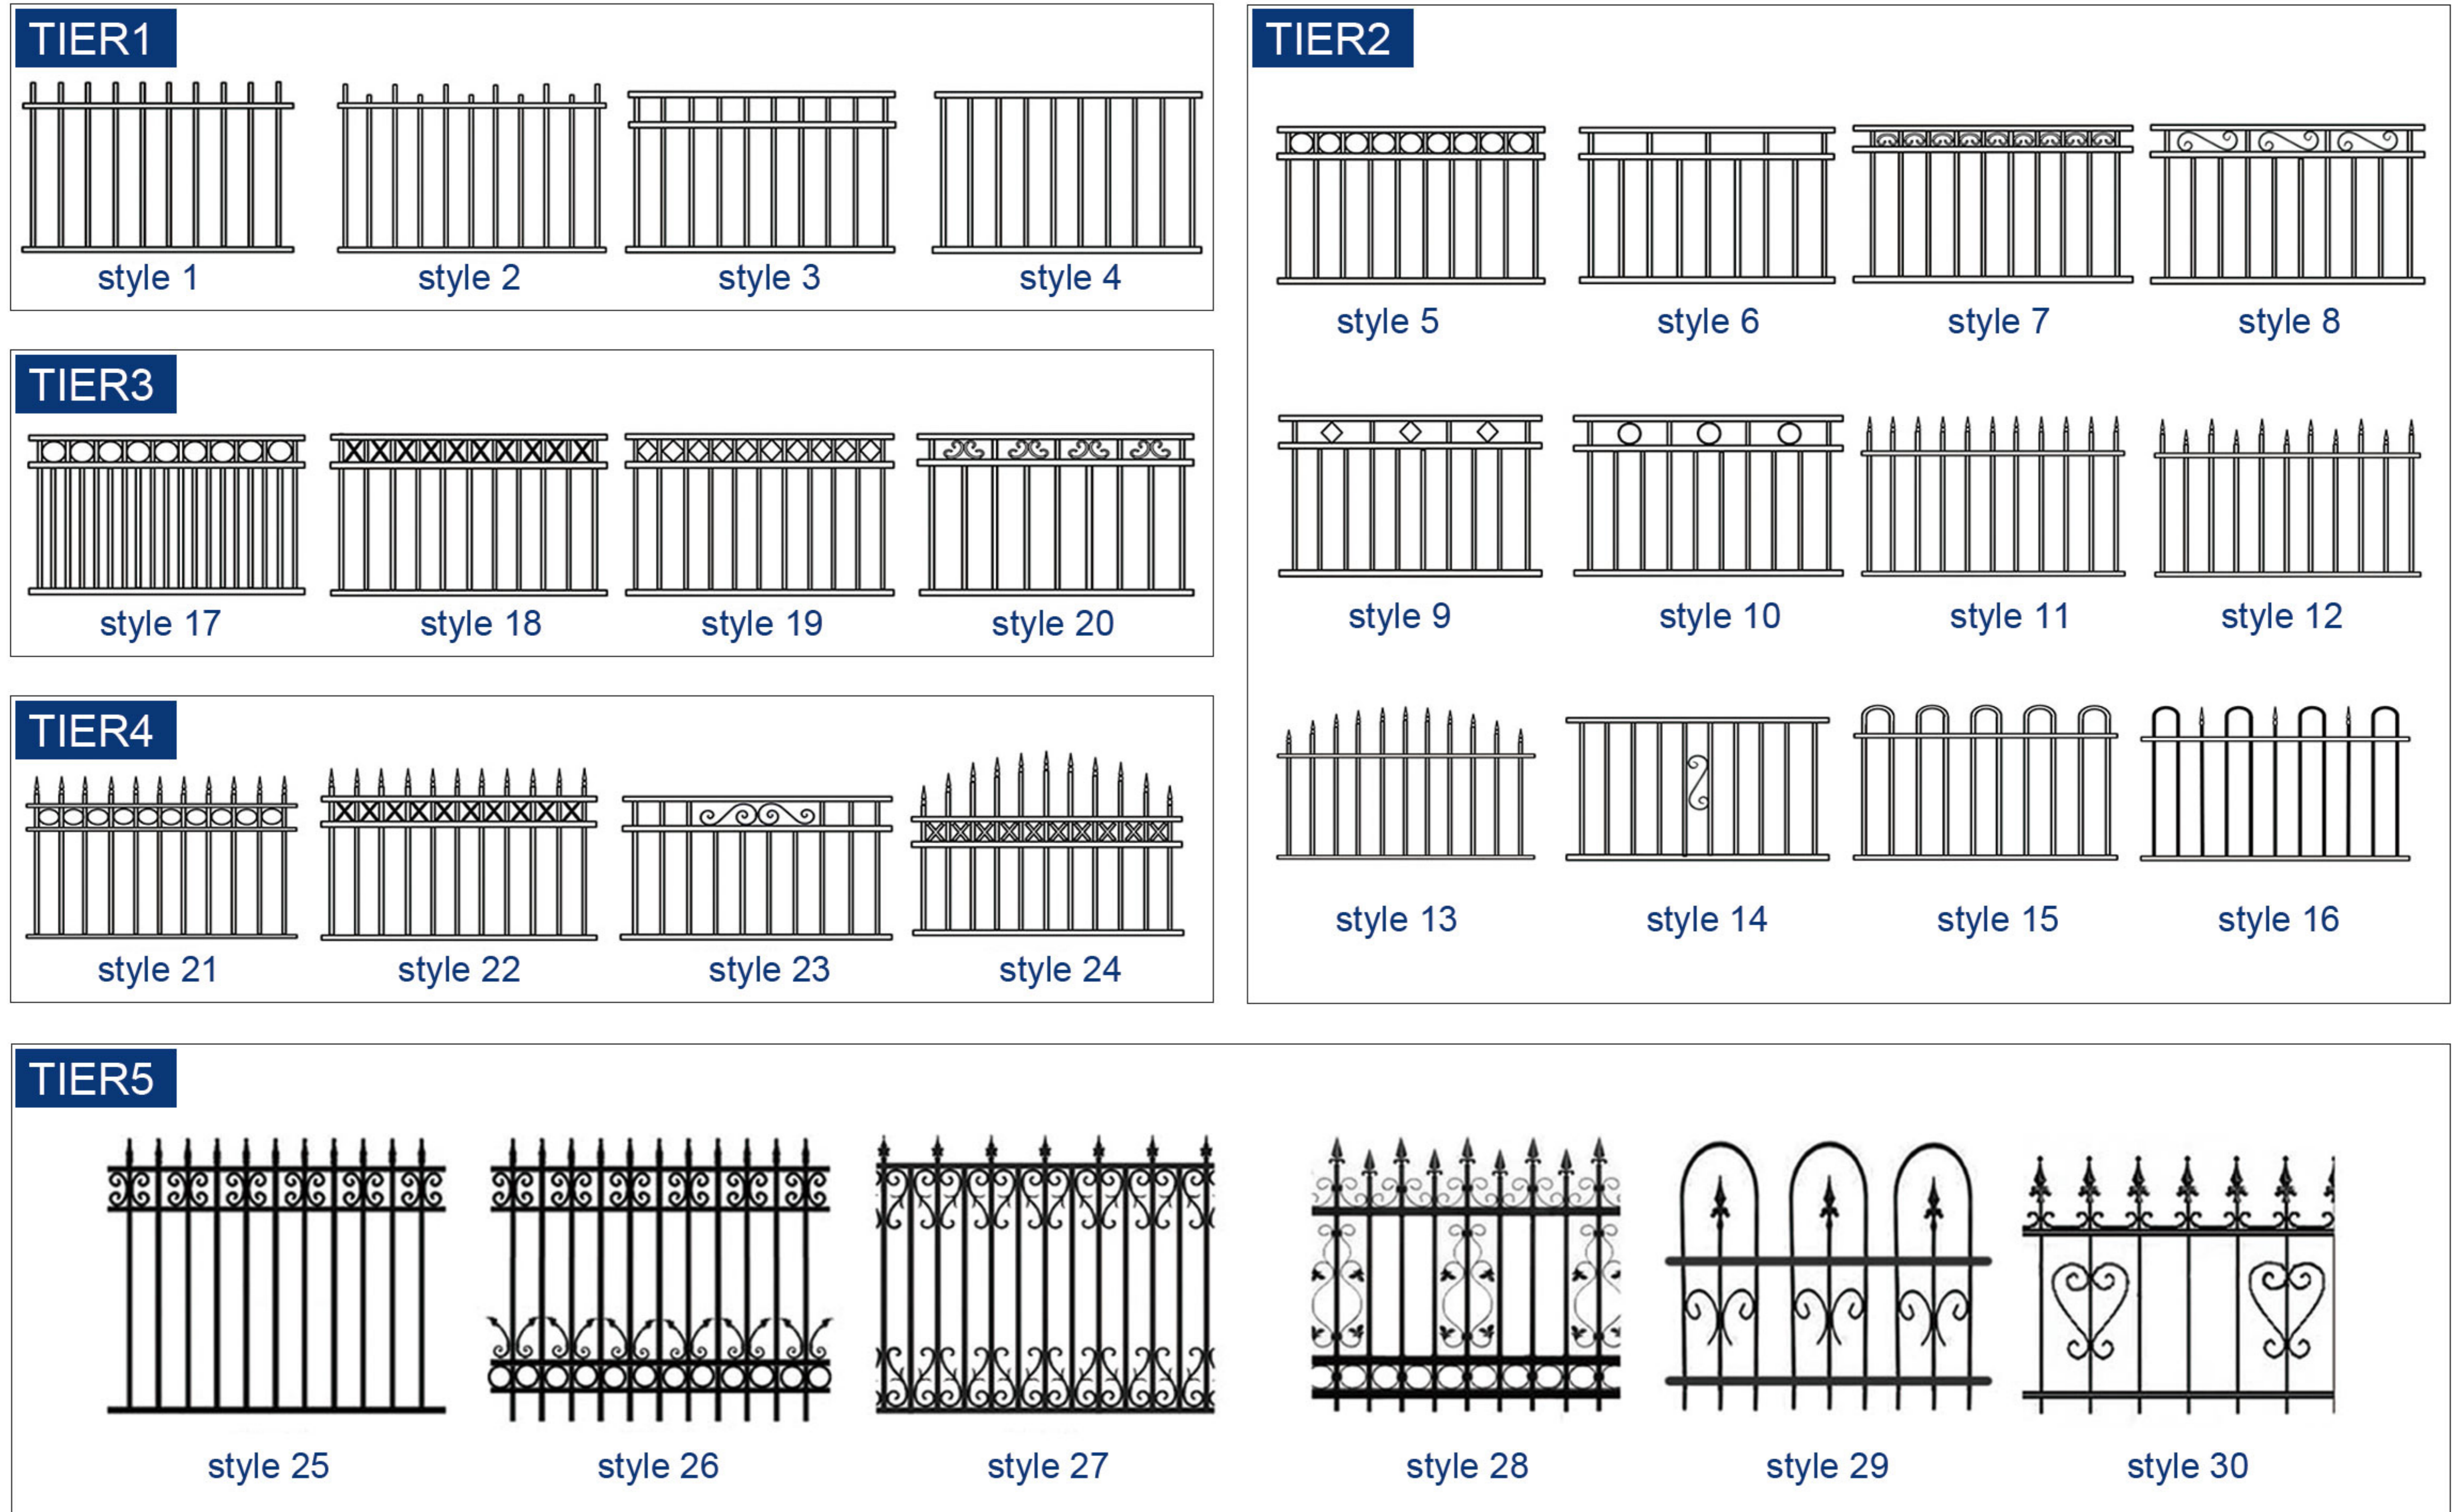

“Ornamental Iron” fencing, as it is commonly referred to, is actually, for the most part, galvanized steel or aluminum that has been galvanized and/or coated to prevent rust.

通常所说的“装饰性铁艺”围栏，在大多数情况下，实际上是经过镀锌或涂层处理以防止生锈的镀锌钢或铝。

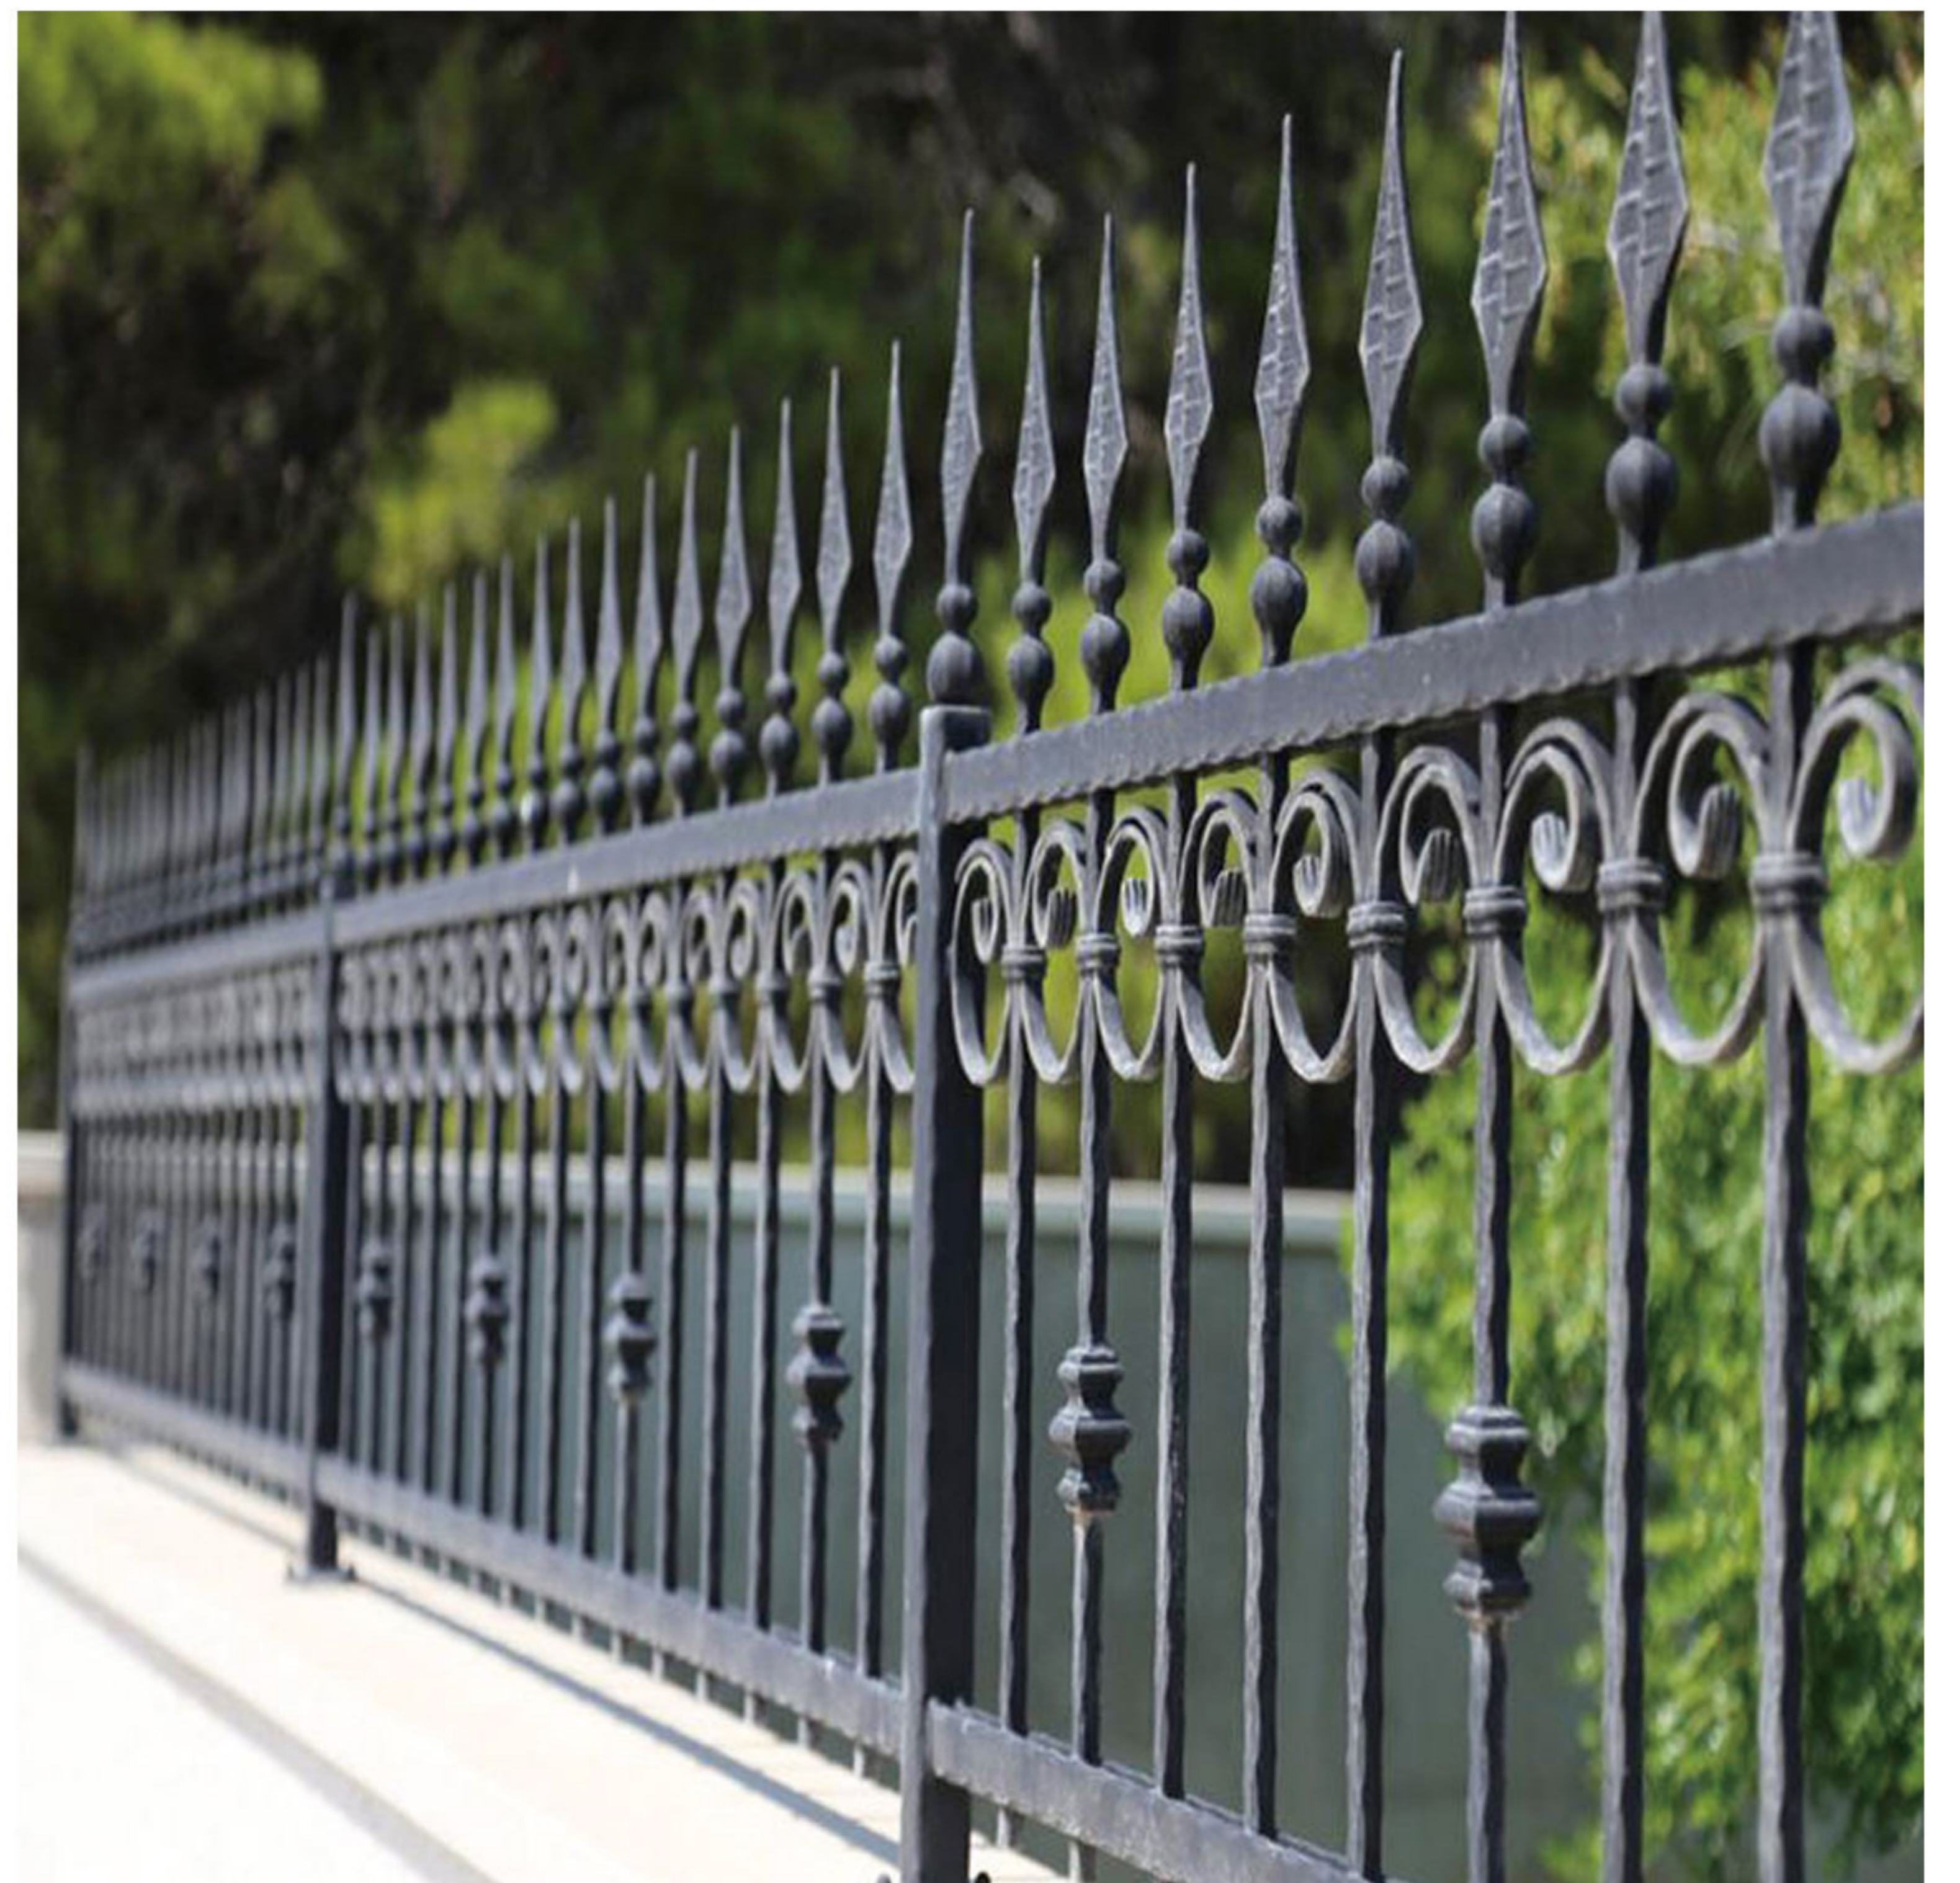

SCHEMATIC DIAGRAM:

样式示意图：

When it comes to property enclosures, especially for highly visible landscaped areas, Designed for beauty, endurance, strength and long life, these metal fences enhance the distinctive appearance of your dwelling.
